APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source. A substantial headgate and measuring device must be installed and maintained to facilitate the measurement and control of water. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit is subject to the condition that the permittee must ensure that wildlife which have customarily used such water will have access thereto, NRS 533.367.

This permit is issued subject to the terms of the agreement between the applicants and protestants dated April 11, 1983.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.289 cubic feet per second, but not to exceed 4.0 acre-feet per acre from any and/or all sources and not to exceed 128 acre-feet annually.

Work must be prosecuted with reasonable diligence and be completed on or before August 3, 1985

Proof of completion of work shall be filed before September 3, 1985

Application of water to beneficial use shall be made on or before August 3, 1988

Proof of the application of water to beneficial use shall be filed on or before September 3, 1988

Map in support of proof of beneficial use shall be filed on or before September 3, 1988

Completion of work filed OCT 26 1990 IN TESTIMONY WHEREOF, I PETER G. MORROS

Proof of beneficial use filed State Engineer of Nevada, have hereunto set my hand and the seal of

Cultural map filed my office, this 3rd day of August
